

## Signature Collection Form for Amending the Constitution through a Popular Initiative (Article 257)

We the undersigned registered voters propose to amend Article 138 of the Constitution to provide for the election of the President and the Deputy President indirectly by popular vote on a county-by-county basis as opposed to the current system where they are elected directly in a popular vote nationally in a process which has been reduced to an acrimonious census of tribal numbers, is prone to electoral fraud, and which marginalises sparsely populated regions and ethnic groups in what is called a tyranny of numbers
